Including Scope and Pricing

3

## Report Delivery

Including a Results Meeting

2

## Data Collection

Field & Desktop Research

4

## Initial Meeting

Understanding Your needs

# Our Core Services

## ***Business Planning for F&B Projects***

Our approach is to pinpoint the value proposition, understand market dynamics and competitive edge, then fine-tune the business model to best suite the current market demands and competition.

## ***Financial Feasibility Studies***

We conduct financial feasibility of a project to evaluate the commercial profitability of the plan, cash flow projections, capital expenditure forecasts, and sensitivity analysis.

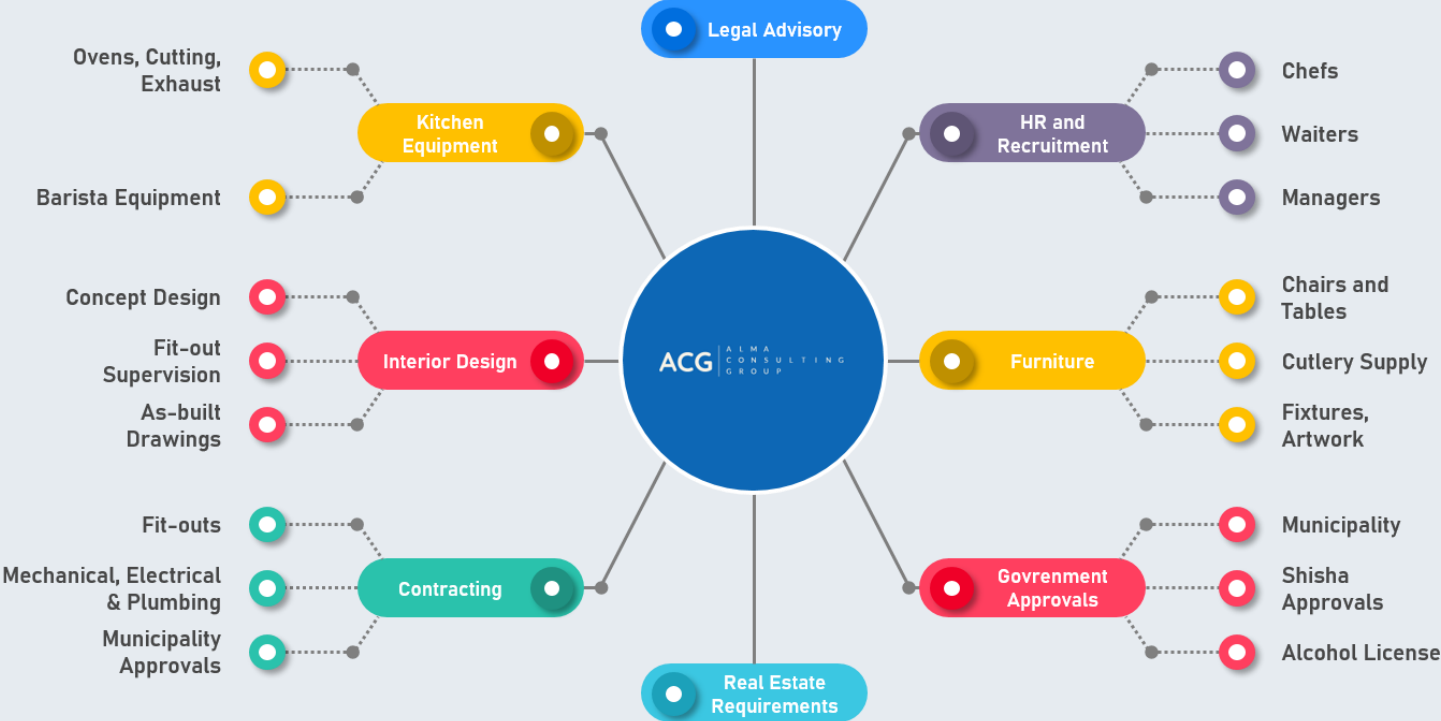

## ***Business Setup Facilitation***

We facilitate all business setup preparations and legal processes for companies interested in starting up in Dubai. Dealing with authorities, processing licenses, administrative assistance, and office space research.

# Our Network

Our Network Of Partners And Affiliates Makes Us A One Stop Shop For All Your Business Requirements And Needs.

From Idea To Operations, We Got You Covered!

# Thank You
